Getting in

- **Entrance** — Four Haus Residence 569 George Street
- **Lockbox / key** — Lockbox '4H' First window grille on Eagar Street

Parking

- **Level 2, 325** — Parking Entrance Level 2, Space 325

Lockbox

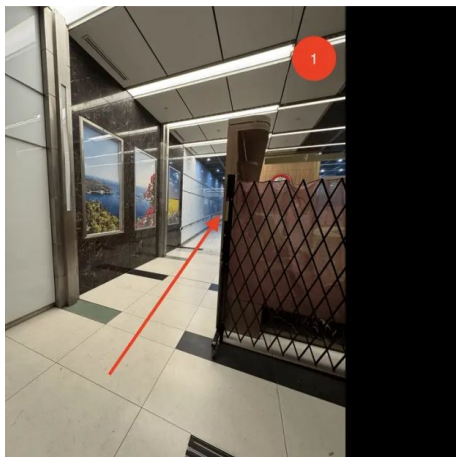

1 Step 1 – Approach Sun Tower at 591 George Street

Enter the mall, walk past Sun Coffee, and continue straight towards the back.

2 Step 2 – Walk through the mall corridor

Keep walking straight through the mall corridor until you reach a glass door labelled "Public Access to Eagar Street."

3 Step 3 – Walk towards Eagar St

- Exit the mall and walk towards Eagar Street, then turn right.
- The lockbox is located on the first window grille on Eagar Street.
- Look for the lockbox labelled '4H'.

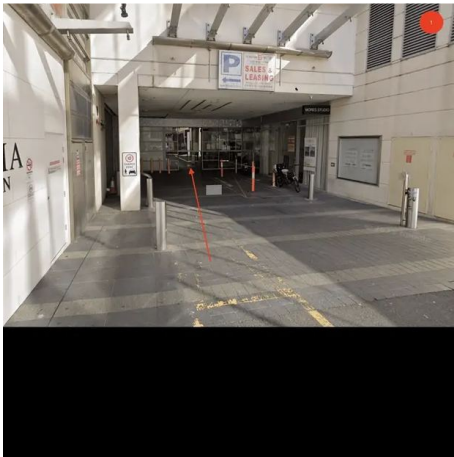

4 Step 4 – Collect the keys, keycards and remote

- Retrieve the keys from the lockbox labelled '4H' using the code provided.
- You should see 2 sets of keys and keycards.
- After closing the lockbox, scramble the numbers.

5 Step 5 – Return to George Street

Walk back the same way you came.

6 Step 6 – Welcome to your home away from home

After exiting Sun Tower, turn left and walk towards 569 George St, just a few shops away.

Then open the Building Entry tab for apartment entry instructions.

Parking

1 Step 1 – Parking is located on 1 Douglass St

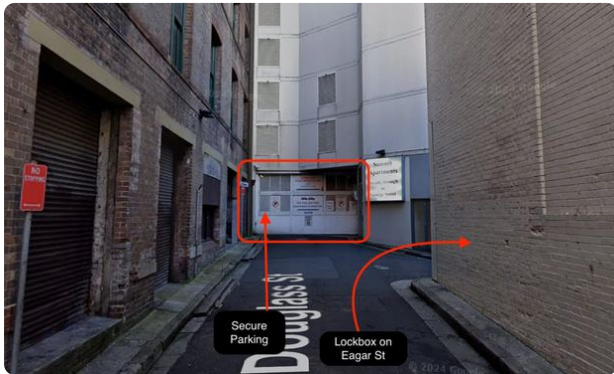

On Liverpool Street, turn left onto Douglass Street.

Please note this is a small alleyway and can be easily missed. Please also take extra care for oncoming vehicles and pedestrians.

2 Step 2 – Head to Eagar St to collect the keys

- Eagar Street is on the right of Douglass St.
- Turn into Eagar Street and stop your car in a safe spot.

3 Step 3 – Pick up the keys from Eagar Street

- Head to the first window on Eagar Street and locate the lockbox marked '4H'.
- Unlock the lockbox to access the keys, keycards and remote with the lock code provided.
- Lock the lockbox by scrambling the numbers.

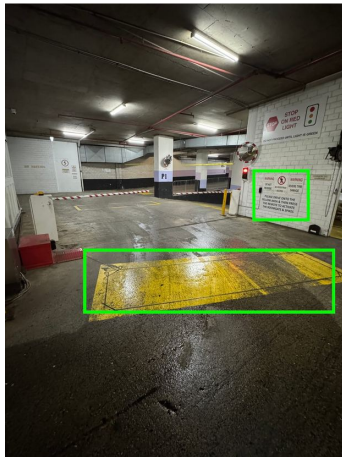

4 Step 4 – Unlock the garage door

Unlock the garage door by pressing 1 on the remote.

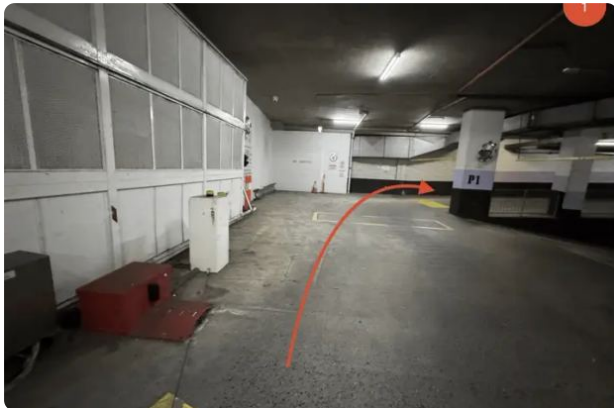

5 Step 5 – Open the boom gate

Enter the garage, stop at the yellow box and press 1 on the remote to open the boom gate.

6 Step 6 – Drive up to Level 2

- The car space is located on LEVEL 2.
- Turn right UP the ramp.
- Keep going up until you see Level 2.
- The car space is on the left on Level 2, before the ramp goes up again.

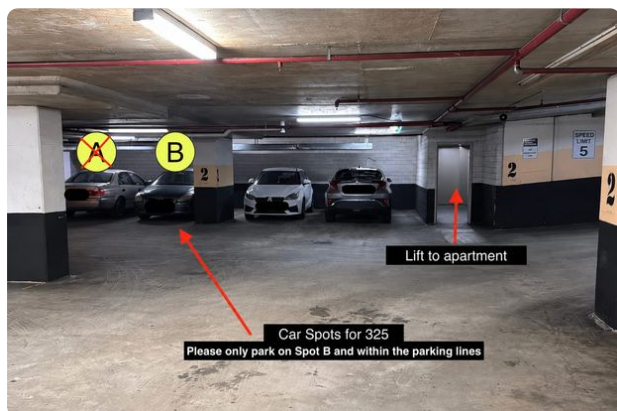

7 Step 7 – Park in the designated car space

Please park only in car space 325, which is the space on the right marked "B" in the image.

Please park within the marked lines.

The lifts are located beside the car spaces. Please take only the lifts that go to Level 25.

Building Entry

1 Step 1 – Building entry

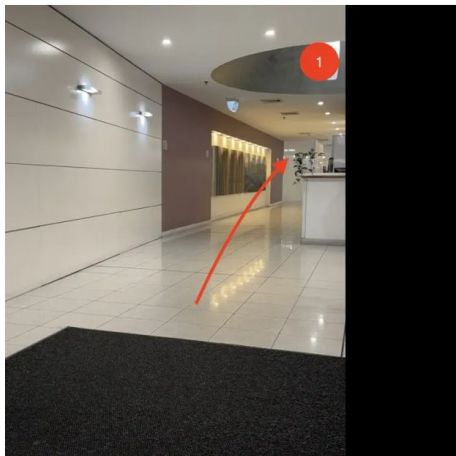

Scan the key card against the reader until you hear a beep. The glass door should open.

2 Step 2 – Walk towards the lift lobby

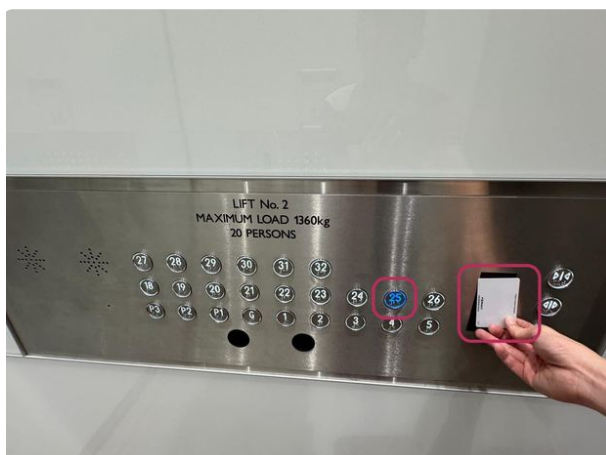

Proceed to the lift lobby.

You are on LEVEL 25 – only use the lifts on the left with High Rise Access.

3 Step 3 – Enter the lift

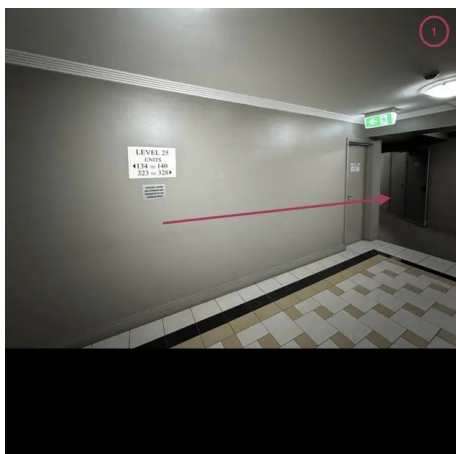

Scan the key card on the reader and press level 25.

4 Step 4 – Turn right after exiting the lift

After exiting the lift, turn right into the corridor.

The apartment is located at the end of the corridor.

5 Step 5 – Welcome to your home away from home

Door opening instructions:

- Insert the GREEN key into the top keyhole.
- Turn the key clockwise and
- pull down the door handle at the same time while pushing the door open.

Amenities

1 Step 1 – Amenities are located on Level P1

Amenities such as the swimming pool, gym and sauna are located on Level P1 of the building.

Take the lift down to Level P1.

Please remember to take your access card with you.

2 Step 2 – Turn right when exiting the lift

Turn right after exiting the lift.

You will see the entrance to the gym, sauna and swimming pool.

3 Step 3 – Scan the keycard against the reader

Scan the keycard against the reader on the left.

Push the door open once you hear a beep.

ENJOY! Please remember to keep your keycard in a safe place!
